

TCS BIOSCIENCES LTD, CHANGE NOTICE: CCI 155

To: Customers and Distributors of Selectrol®

It is our intention to change the availability of the products listed below. The details of the change and the reason for it are given below.

Please acknowledge receipt of this notification and confirm your acceptance of the change by completing the section below and emailing a copy of the form to qc@tcsgroup.co.uk. Acceptance of the change is assumed if a response is not received within two weeks of issue of this notification.

If you have any difficulties or concerns accepting the change, please contact us immediately.

Product: MM86-25 *Bacillus cereus* NCTC® 7464, 25 disc format.

Proposed Change Date: Immediate

Change Details:

MM86 in 25 disc format is obsolete from the Selectrol® product range

Reason for Change:

Following a review of product sales a commercial decision has been taken to make this pack size obsolete.

Considerations:

This strain is still available in 10 disc format as MM86-10.

I understand and accept the changes proposed to the product given above.
